## **Idea 2: Digital Coach (Courses + Digital Products)**

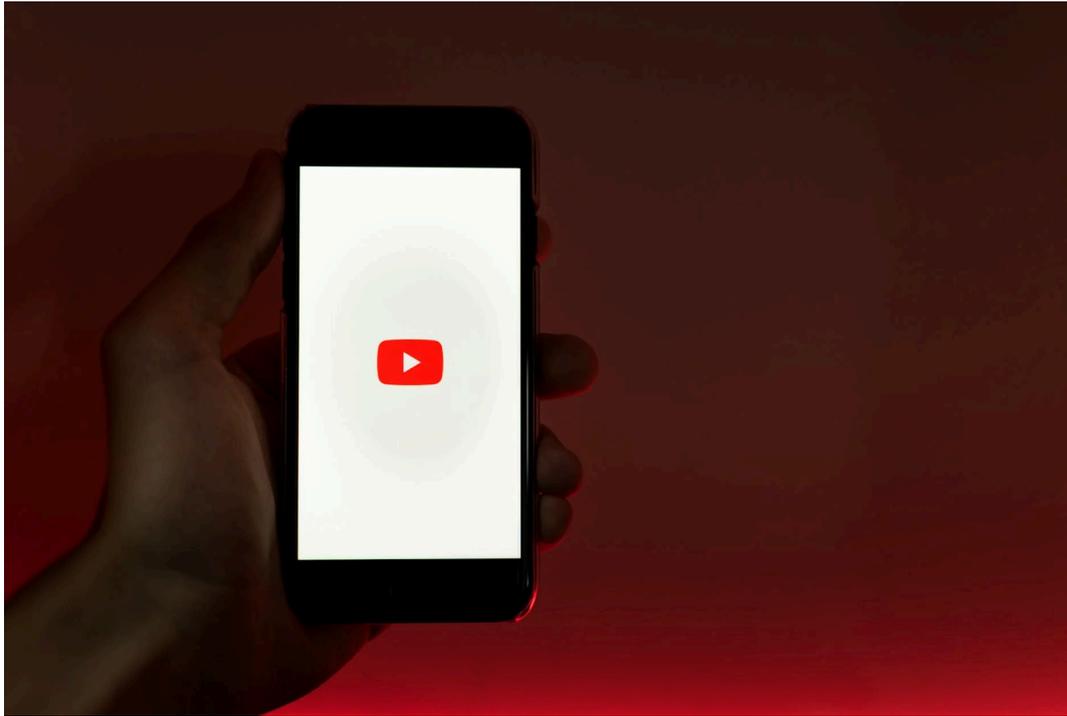

The E-Learning industry is booming. Schools & colleges are affected due to the pandemic. People are more interested in learning online. So, it's the best time to launch your own online courses & digital products based on your expertise and market demand.

Set Up an evergreen funnel. Generate organic traffic using YouTube & social media. With automated webinars & email marketing, sell your courses.

### **Idea 3: Start a YouTube channel**

YouTube is the world's second-largest search engine. Every day, people watch 1 billion hours of videos on YouTube. With the Google AdSense option, you can create quality content, bring traffic to your videos, and make money using ads.

Some big YouTubers are able to earn in 6 figures every month only through YouTube ads.

### **Idea 4: Build your following on Instagram**

Instagram is the most widely used social media platform. With such a large audience on Instagram, it opens a huge opportunity for influencers to grow their following and attract advertisers.

It's called influencer marketing. If you have a good following of target audience which a business is looking for, you can charge per content to promote them.

Example: Instagram influencer “Kaby” is able to earn more than 2 billion USD in just 2 years.

**Idea 5: Digital Network Marketing (My Favorite)**

Digital Network Marketing comprises all the above-mentioned businesses into one. Here you can make money through other people's efforts, other people's networks, other people's skills, and other people's following.

Digital Coaching + multi-level affiliate marketing + YouTube + Influencer marketing = Digital network marketing
